About This Game

A massive sale is coming, which means unique bonus offers and huge discounts on amazing products that you've been dreaming of all year!

But then there are...the crowds. Crowds of insane shoppers who are set on seizing your purchases, your precious, and endless lines at the cash registers.

How does one not go crazy in all this?!

- Unique supermarket atmosphere
- The biggest and slowest lines
- Charismatic main characters
- Incredible cubes! LOTS! LOTS AND LOTS OF CUBES!
- As well as a thoughtful satire about today's reality, an ocean of blood, and the opportunity to dance in the middle of a store while brandishing a chainsaw
